Restaurant Alice

Design Museum

Design is everywhere. Design Museum Gent sets out to raise your awareness of the great impact of design on your daily life. We demonstrate the responsibility of designers, manufacturers and consumers in this process with our extensive collection, which spans the period from the fifteenth century to the present.

Special exhibitions:

- **Creatures Made to Measure**
Animals and Contemporary Design
- **Belgian Design: Generous Nature**

Castle of the Counts

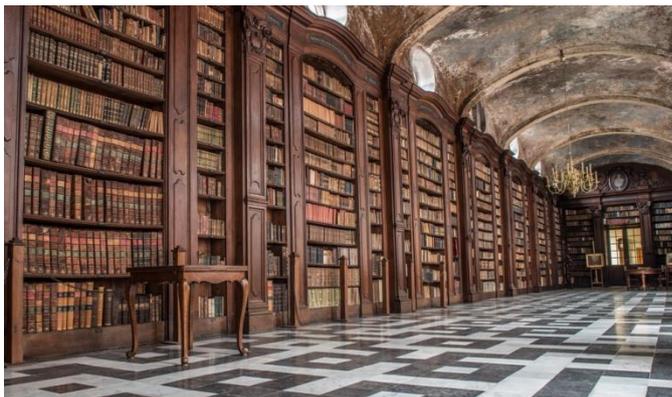

A visit to the Castle of the Counts will give you a complete picture of heraldic culture in the 12th century. The gatehouse, ramparts, keep, count's residence and stables are open to visitors.

Would you like to visit the Castle of the Counts with a touch of humour? Follow the unique audio visit, voiced by Ghent comedian Wouter Deprez. He will take you on a journey through the castle's history, packed with funny anecdotes

Gala dinner at the Augustinian Monastery

The authentic monastery offers the perfect setting for a gala dinner, During the dinner, with local specialties based on the abbey's own beer, a visit to the historical library is included. The abbey's beer will also be offered (as an alternative) during the reception and the dinner
